

ACCREDITED FOOD SAFETY TRAINING

SOUTH AFRICA . [ascfoodsafetytraining.com](http://ascfoodsafetytraining.com)

# Regulation R638

Food Safety Training

TRIPLE-ACCREDITED . THE ONLY PROVIDER IN SA WITH ALL THREE

SAATCA . TC 065

HPCSA ACCREDITED

FoodBev SETA . 587/00337/1900

B-BBEE LEVEL 1

Regulation R638 of 2018 is the legal hygiene standard every food premises in South Africa must meet. It requires a valid Certificate of Acceptability (CoA), a trained person in charge, and trained food handlers. ASC delivers accredited training online or on-site, anywhere in South Africa, through a team of facilitators and assessors who train in multiple languages, plus FoodBev SETA accredited skills programmes. Recognised by all municipalities nationwide.

Choose the course for your role (tap any row to enrol)
